## GPS Tracking Systems Latest Category Expansion For Spy Tools Directory

*Listings for Global Satellite Positioning Equipment Companies Now Available*

**4/29/04** - In keeping with its commitment to providing the most complete spy resource on the web, Spy Tools Directory announced today another expansion with the addition of the '[GPS Tracking Systems](http://www.spy-tools-directory.com/surveillance-equipment/gps.html)' category (<http://www.spy-tools-directory.com/surveillance-equipment/gps.html>). The new category provides listings for websites by companies that offer [GPS tracking](#), [GPS navigation](#), and [GPS logging](#) equipment and systems for sale.

"GPS systems are becoming an important tool in everyday law enforcement operations and private investigations," says Steve Salm, lead editor for the Directory. "We're proud to present this new category to our visitors as an authoritative, central resource from which to find and purchase this type of tracking equipment."

The category currently features listings from companies offering discounts through their websites on [GPS tracking equipment](#).

"GPS tracking systems can be quite expensive, depending on the type of system you're looking for," Salm explained. "We feature companies that sell GPS equipment at discounts of 20-30% through their websites - discounts only available on the web. If you're in the market for this kind of equipment, you owe it to yourself to shop and compare by visiting sites such as the ones listed in this new category."
