Background Checks at Spy Tools Directory

Perform In Depth Background Investigations for Under \$30

5/07/04 - Need to perform a [background check](#) on a potential employee? How about a current employee you suspect of lying, or a neighbor, or an acquaintance? Do you know where to go to get that information, or how much it will cost?

Spy Tools Directory has the answer: the new '[Background Checks](#)' (<http://www.spy-tools-directory.com/spy-software/background-checks.html>) category has tools and resources you need to perform in-depth background checks on anyone, in most cases for under \$30.

"This is just another resource our visitors have been asking for," stated Steve Salm, lead editor for the website. "We've compiled the best resources for performing background checks into one, focused category so our visitors can get on with the business of conducting [background investigations](#) on their own."

The category features website listings to online software and services for performing [background checks](#) for both beginners and professionals alike.

"Never done a background check on someone? Not a problem," explained Salm. "We made sure to add resources in the category that were both thorough in their capabilities as well as easy to understand for novice users. We're confident that anyone who purchases any of the tools we have listed will be completely satisfied with the results they achieve."

About Spy Tools Directory

[Spy Tools Directory](#) was launched in 2003 to serve as the authoritative resource on topics related to the field of Private Investigations. With hundreds of listings featuring such products as [spy software](#), [spy cameras](#), and [private investigator](#) agency resources, the site has quickly become one of the largest and most respected industry-specific directories on the Web. The site currently offers free website listings to [private investigators](#), spy software vendors, and [surveillance equipment](#) manufacturers world-wide.
