Night Vision Goggles Available at Spy Tools Directory

Spy Equipment Website Expands to Include Night Vision Category

5/25/04 - [Night vision goggles](#), [binoculars](#), [scopes](#), and more are now available through the Spy Tools Directory with the inclusion of the new '[Night Vision](#)' category, it was announced today.

"Building upon the '[Spy Gadgets](#)' category we launched just a few short weeks ago, we felt this was an immediate need for our site visitors," said Steve Salm, lead editor for the Directory. "There have been hundreds of searches for night vision gear, so creating a dedicated sub-category for night vision equipment became a priority."

The new category features websites where you can [buy night vision goggles](#) and gear in all price ranges, and offers free website listings for those companies that sell, manufacture, or distribute [night vision equipment](#).

"Our site is built upon helping our site visitors find the products they are searching for - plain and simple," added Salm. "If you have a website dedicated to [night vision equipment](#), obtaining a free listing on our website is some of the best free advertising you can get. We have thousands of visitors each month searching our site specifically for [night vision products](#)."

For more information on [night vision goggles](#), please visit the '[Night Vision](#)' category of the Spy Tools Directory online at: <http://www.spy-tools-directory.com/spy-gadgets/night-vision.html>

About Spy Tools Directory

[Spy Tools Directory](#) was launched in 2003 to serve as the authoritative resource on topics related to the field of Private Investigations. With hundreds of listings featuring such products as [spy software](#), [spy cameras](#), [Net Detective](#), [spy gadgets](#), and [private investigator](#) agency resources, the site has quickly become one of the largest and most respected industry-specific directories on the Web. The site currently offers free website listings to [private investigators](#), spy software vendors, and [surveillance equipment](#) manufacturers world-wide.
