Recording Cell Phone Conversations

Spy Tools Directory Adds New Category Featuring Cell Phone Conversation Recording Resources

02/12/07 - Cell phone users looking for information on how to record cell phone conversations have a new online resource at the Spy Tools Directory, the site announced today, with the addition of the "[Record Cell Phone Conversations](http://www.spy-tools-directory.com/surveillance-equipment/record-cell-phone.html)" (<http://www.spy-tools-directory.com/surveillance-equipment/record-cell-phone.html>) section of the website.

"With cellular telephones quickly becoming the standard in everyday communications, we receive a lot of traffic from visitors looking for these types of products and information," said a spokesperson for the Directory. "By adding this new category, we can help get our visitors pointed in the right direction and find good tips on [how to record cell phone conversations](#) on their own."

Featuring listening devices, surveillance equipment, and international private investigator listings, the Spy Tools Directory serves as one of the world's largest free directories catering exclusively to the latest technology in the private investigation industry.
