## Spy Sweeper Software Now at Spy Tools Directory

*New Spyware Removal Software Category to Include Download, Review Resources*

**04/12/07** - [Spy Sweeper](http://www.spy-tools-directory.com/spy-software/spysweeper.html) (<http://www.spy-tools-directory.com/spy-software/spysweeper.html>), a popular spyware removal program and top pick by software industry media sources, is now available through the Spy Tools Directory, the site announced today.

"We receive a lot of traffic from visitors searching for spyware removal programs, and Spy Sweeper is one of the most effective we've come across," said a spokesperson for the directory. "This new category provides our visitors with Spy Sweeper review resources and trial download information so they can make an educated decision on the product before buying."

Chosen as PC Magazine's Best of the Year 2004, Webroot [Spy Sweeper](#) detects and successfully removes vicious programs, and provides advanced protection to defend browsers and operating systems from attempted spyware installations.
